

**Onward Technologies Limited strengthens its finance team
Brings on board seasoned professionals with proven track record**

November 07, 2019 – Onward Technologies Limited (BSE: 517536; NSE: ONWARDTEC), a global player in mechanical engineering design and IT consulting services announced appointment of Mr. Devanand Ramandasani as Chief Financial Officer (CFO) with effect from 23rd October, 2019. He will be responsible for the overall finance, strategy, accounting, legal and growth initiatives of the company. The Company also appointed Mr. Prasan Abichandani as Vice President (VP) and he will be responsible for corporate finance and investor relations.

These senior level appointments are in line with company's strategy to strengthen the finance and related strategic verticals. These initiatives will support Onward Technologies' transition into the next phase of growth. Focused on enhancing profitability by servicing Fortune 1,000 & large enterprise clients, the Company has been delivering consistently improving financial performance over the past six quarters.

Commenting on the new appointments, the Managing Director, Mr. Jigar Mehta said, "We are delighted to welcome Devanand and Prasan to Onward Technologies. They both complement our strong performance-oriented culture, and we believe their impressive track record makes them a right fit to drive finance and related strategic initiatives".
