The medium and long-term growth prospects for Onward Technologies services and solutions in USA, UK, Germany and India remain robust. The company will continue to play a crucial role in supporting the next generation of Mechanical Design and IT Consultancy services and succeed in client digitalization initiatives at its best.”

Other Important highlights for the quarter

Onward Technologies (OTL) has invested in several new growth initiatives for 2019 as we wrapped up 2018 on a strong note.

- Started the **Embedded & Electronics practice** out of all 3 locations in India (Mumbai, Pune & Chennai) with an initial team size of 25 engineers which will be ramped to 100+ over the next few quarters.
- Joined the **SAP partnership program** to expand the SAP HANA solutions to the Indian market. The entire new Sales & Delivery teams will be driven from its Mumbai offices.
- Invested in a large **new Design Centre** at Magarpatta city in Pune, focused on mechanical product design services for our OEM clients. This is the company’s 3rd design center in Pune and 5th in India, the other 2 being in Mumbai & Chennai respectively. This investment is important to meet the growth demands of our customers in 2019.
- Selected **SAP S/4 HANA cloud solution** to implement internally in the organization (OTL & subsidiaries). The implementation will GO LIVE within the next 4 months.
